NIRNAY JAIN

I’m Nirnay Jain, the founder of Creative Sharks Marketing Pvt.Ltd. With over 7+ years of experience in digital marketing, I’ve worked with 300+ clients across various industries — from small businesses to growing brands.

Our goal at Creative Sharks Marketing Pvt.Ltd is simple: to scale businesses online with complete profitability. We focus on building real, long-lasting growth with clear strategies and strong execution.

We have a skilled in-house team:

- **Website designing**
- **Social Media**
- **Graphic designing**
- **SEO**
- **Performance Marketing**
- **Sales Team**
- **Plus, we now offer AI-powered services to help our clients move faster and smarter**

We’ve also launched the Creative India Campaign — an initiative to help offline businesses go online. The goal is to support small and local businesses in going digital, and in the coming time, we’re planning to take this to a much bigger national level.
